

St Ivo Racquets Club

Squash Racketball & Tennis

Christmas Detox 2011

This event seen another great attempt by the seniors and juniors, battling it out. Last year the juniors were not up to scratch but this time they were able to with a bit of handicap, be included to take part in a 12 strong field of players.

The Round Robin events seemed to be 3 hours of slog to the end. It produced a lead with Derek Darnel just piping Howard Mitchell on the final play off.

The runners up saw 2 juniors playing off and Lewis Jones outlasting the weary Will Sandford.

This was a fun event and encouraging for 2012. It also showed that the standards of the players are improving in the short space of time that they had experienced playing Racketball.

Our Racketball (Closed) club Championships is to be held in March this year.
